Gareer Preference Outline

25X1A9a

The Career Service Board is cognizant of the need for reappraisal of manifestation career planning in view of the change in his position and responsibilities. As a special research enalyst he should devote himself to a full utilization of his research capabilities on those unique jobs to which he is assigned. If it becomes evident that his full capabilities cannot be utilized in his current assignment, joint effort should be made to correct the situation. No further training seems appropriate at this time.
